use php , 1 - 10 for sum

use python , 1 - 10 for sum

use js , 1 - 10 for sum

use php , foreach ..... do

使用PHP迴圈 1到100 加總sum

id

id   animation-name
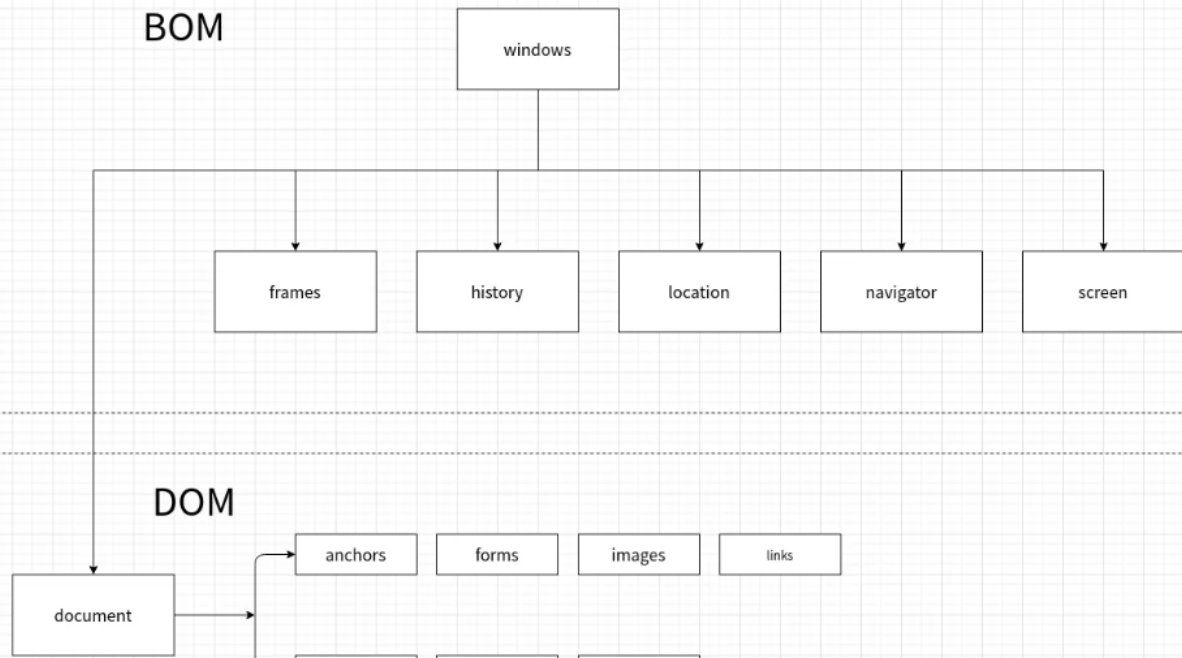

do .....

@keyframes ani-name

do

```css
.box {
    width: 400px;
    height: 300px;
    /* transition: 5s; */
    /* background-color: lightblue; */
    animation-name: ani;
    animation-duration: 10s;
}
```

```css
@keyframes ani {
    0% {
        background-color: red;
    }

    50% {
        background-color: lightblue;
    }

    100% {
        background-color: yellow;
    }
}
```

java vs javascript

牛肉麵 vs 牛蒡

Primary Success Danger Warning
